Commenting on the results and performance, Mr. Gautam Kumar Pal, Managing Director said:

"The world began to overcome the pandemic's obstacles gradually and steadily. As the economy recovered, we at Manorama, remained consistent with our performance and have delivered resilient growth in H1 FY23. Our revenue for the period grew by 16% which stood at Rs. 1,536.8 million while EBITDA for the period grew by 33% which stood at Rs. 247.5 million as compared to Rs. 185.4 million in the same period last year. EBITDA Margins too improved by 213 bps Y-o-Y which stood at 16.10%.

During Q1 FY23, we had undertaken a temporary maintenance shutdown of its plant operations which did not have significant impact on the revenues due to the adequate inventory buffers. The performance would have been significantly better if the plant would have remained operational for the entire period.

Our brownfield will help establish ourselves as one of the major Indian producer in the global CBE and specialised butter & fats industry, and we will be able to further scale up our output to meet global demand. Cumulatively the Company has spent Rs. 703.8 million on Capacity Expansion.

Additionally, to enhance the distribution network we plans to set up sales offices in other geographies to gain better understanding of the market. We are fully committed to the long-term vision and goal to provide the highest level of customer satisfaction by developing host of innovative range of products in the Cocoa Butter Equivalent, Specialty fats, and butter segment.
